

Erratum

"Lead-Acid Battery: Positive Grid Design Principles," B.S.T.J., Vol. 49, No. 7, September 1970, pp. 1279-1303, by A. G. Cannone, D. O. Feder and R. V. Biagetti.

The log scale shown on Fig. 14 (p. 1291) for the rate constant (k) is in error by a factor of ten. It should be:

Fig. 14—Rate constant (k) on log scale vs $1/T (^{\circ}\text{K})$ for $5\text{-}5/8'' \times 5\text{-}7/8'' \times 1/4''$ thick PbSb grids.

This is a plotting error only and does not alter the data nor the conclusions shown.

We are grateful to D. W. Maurer of Bell Telephone Laboratories for bringing this error to our attention (A.G.C., D.O.F., and R.V.B.).
